

Description:	Lara Rectangle Hall Table
Width:	40"
Depth:	16"
Height:	30"
Weight:	lbs.
Material:	Wood

Symmetry is rare to occur in nature, so rare perhaps that when the human eye beholds it, two mirroring shapes, we are fascinated by it. The Lara Table Collection delights in the symmetrical shapes of the top mirrored in the complimentary stretchers both in design, beauty, and in structural durability.
